THIS EVENT IS IN COLLABORATION WITH VIDYASHILP UNIVERSITY

VIDYASHILP UNIVERSITY

Vidyashilp University (VU) is one of India's emerging, future-focused, interdisciplinary universities. Rooted in a 40-year legacy of educational excellence through the Vidyashilp Academy—recognised as a UNESCO Happy School—VU combines global standards with Indian values to deliver meaningful, industry-connected education.

Recognised among the Top 5 Emerging New-Age Universities in the IIRF 2025 Rankings, VU stands highest in 'Future Orientation' and 'External Perception & International Outlook'. The university has also been awarded the title of 'Most Emerging Higher Education Institution of the Year 2025' by Entrepreneur India, affirming its growing academic reputation. Located in Bengaluru, VU is a hub where global aspirations meet Indian innovation. Its programs are designed to be deeply interdisciplinary and led by faculty trained at leading institutions such as NYU, University of Michigan, University of Birmingham, NUS, IISc, NLSIU, IITs, and IIMs. Students engage in research right from the first year, receive international exposure through global exchange programs, and gain hands-on industry experience in the second and third years—preparing them to shape the future with
purpose and perspective.
